Registering to the RISCO Cloud

1 After the RISCO Cloud has been enabled by your system installer, go to **www.riscocloud.com**
2 Fill in your **first and last name.**
3 Enter your **e-mail address** as the Login Name (required for 1st-time activation).
4 Define **password** (minimum of 6 characters and at least one digit), and then confirm.
5 Enter the **15 digits Panel ID** as it appears as printed on the postcard packaged with the main panel. You can also view it on the keypad (see the GT Plus User Manual).
6 Complete registration form, and then press **Register.**
7 Open the e-mail received at the email account you had defined as the Login Name in step 3, and then click the link to activate your registration to the Cloud.

Logging in to the RISCO Cloud / Accessing the Web User Application

1 Go to **www.riscocloud.com**
2 Enter your **user name** and **password** (as defined during the registration process).
3 Enter the **system PIN code** (user code).
4 Click **Enter.**

iRISCO Smartphone App

Download the iRISCO Smartphone app from the Apple App store or the Android Play Store.
